## 2ND LEARNING , TEACHING, TRAINING ACTIVITY

The second LTTA was held from November 13<sup>th</sup> to November 17<sup>th</sup> 2023 in Kocaeli, Turkiye. Representative of Paola Fürst Schule gave presentation of Experiment Set developed in INA CODE project. RobyCode and Kocatürk demonstrated interactive website of the project. Hatice Uzug taught the participants about assessment in interactive website. Körfez prepared workshop about designing booklet and useful tools. All partners participated by giving short previews of their educational videos.
